Title \_\_\_\_\_

## QUESTIONS AND ANSWERS

**Question #1:** Will the proposed green roof on top of the canopies be designed for water retention and flood mitigation or only for aesthetic purposes? This will affect the proposed deadloads.

**Answer: Design shall comply with the Pre-scoping Documents. However, the designer may propose additional features during Preliminary and Final Design.**

**Question #2:** In addition to the documents and attachments provided in the RFP, will all source files and reference documents (as well as electronic files such as CADD files) from the preliminary phase be provided to the winning team?

**Answer: Yes, all source files and reference documents from the preliminary phase be provided to the selected consultant.**

**Question #3:** We understand NYCDOT will be responsible for structural, drainage and lighting maintenance. Who will be responsible for the day-to-day maintenance of the bridge (i.e. garbage collection)? Will garbage bins be required along the length of the bridge?

**Answer: NYC Department of Parks and Recreation will be responsible for day-to-day maintenance.**

**Question #4:** Will emergency call boxes be required along the length of the bridge?

**Answer: Design shall comply with the Pre-scoping Documents. However, the designer may propose additional features during Preliminary and Final Design.**

**Question #5:** Will there be an extension to the proposal submission due date?

**Answer: There will be no extension. The proposal due date is September 20, 2016 at 4:00PM.**

**Question #6:** After reviewing the RFP - Project: P-415PAS2 PIN: 8502017HW0003P (Preliminary and Final Design and Construction Support Services for: Passerelle Pedestrian Bridge over NYC Transit Yard and Meridian) we would like some clarification regarding Attachment 9 – M/WBE Utilization Plan. We would like to know can Attachment 9 – M/WBE Utilization Plan be submitted when no cost proposal is to be submitted under Attachment 6?

**Answer: Please fill out the M/WBE Utilization Plan with an estimated proposal value. Upon final cost proposal, M/WBE Utilization Plan shall be revised.**

**Question #7:** The RFP specifically states that a fee is not required at this time. (RFP-23, Section IV, item C) In completing the MWBE Utilization Plan, we therefore assume that we should indicate anticipated % participation for subconsultants, while indicating TBD in lieu of an exact dollar fee amount. Please confirm if this is a correct assumption.

**Answer: That is correct.**
